

## **TERROR HAS NO RELIGION! REALLY?**

Today every Indian patriot is anguished and seething in anger. Even in this situation we have to hear the constant refrain “Terror has no religion”. So the time has come to expose this lie once and for all with a small exercise in translation:

Jaish e Mohammad – Army of Mohammad

Lashkar e Toiba – Army of the Pure

Harkat ul Mujahideen – Movement of Muslim Fighters

Harkat ul Ansar – Movement of the Helpers of Islam

ISIS – Islamic State of Iraq and Syria

Hizbul Mujahideen – Group of Mujahideens (Muslim Fighters)

Hezbollah – Party of God

HAMAS is a short form of Harkat al Muqawama al Islamiya (Islamic Resistance Movement)

Harkat ul Jihad al Islami (HUJI) – Movement of Jihad for Islam

BOKO HARAM group is actually Jama'atu Ahlis Sunna Lidda'awati wal-Jihad, which in Arabic means "People of the Sunnah for Preaching and Jihad Group". (Sunna means the practise and examples of the Prophet Muhammad's life).

The terrorists themselves are saying it loud and clear who and what they are. So next time when you hear “Terror has no religion” .....well, I leave it to you.
